

## OUR CAMPUS:

### *PK Technical Campus, Chakan, Pune*

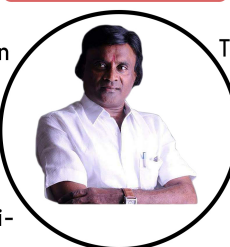

PKTC is one of the best Engineering colleges in Chakan, Pune, established in 2011, nurtured and managed by P K Foundation, Chakan. PKTC is functioning proactively to provide the best professional environment to Engineering and Management students in terms of academics, Industry oriented training, sports, social, cultural, co-curricular and extracurricular activities, etc. to create true aesthetically sensitive, socially committed and technologically competent engineers and management professionals.

PKTC is approved by the All India Council of Technical Education, Delhi and Directorate of Technical Education, Mumbai, Affiliated to Savitribai Phule Pune University, Pune and Maharashtra State Board of Technical Education, Mumbai; and accredited by NAAC.

### Our Inspiration...

### Our Mission:

Every man has a picture of a better future in mind. The smarter generation can combine together to form a better society and can work together for the welfare of the people. All can start with humanity which helps to build today's youth to work for themselves as well as make a difference in the society by their constant contribution to fuel their idea of a beautiful tomorrow.

### Our Vision:

To inculcate the young generation to believe in themselves and then educate them for industrial establishment or entrepreneurship. The young generation should also be prepared culturally for his/her personal, social health and have a sense of thinking towards the development of the society.

Hon'ble. Mr. Pratap Khandeabharad  
 (Founder President, P K Foundation)

### Ayurveda for Better Living

The ayurvedic garden is a value-added and special feature of the P K Technical Campus. Total 30 varieties of various medicinal plants are planted in the garden, all of which are native to India. Every plant is nomenclatured by its botanical and local name. The motive behind starting an ayurvedic garden is to make the students aware of the local medicinal plant species and to inculcate in them the love for nature and our responsibility towards preserving it.

Any student visiting our campus can take a tour of the ayurvedic garden, explore and study various medicinal herbs and plants while maintaining the beauty of the garden. Some of the distinguished medicinal herbs are Panphuti, Dorf Adulsa, Odomos, Vajjanti Tulas, etc.

## Folk song and Dance Club

Life is not about waiting for the storm to pass, it is about learning to dance in the rain. Similar way, the dance club functioned in the COVID – 19 circumstances and allowed the students to enjoy the greatest feeling of moving to piece of music and letting the rest of the world disappear. The students revealed many aspects of culture like folk songs, national and international songs and dance and its significance with its contribution towards society. Our students shared various videos of dancing and experienced the joyous moments to choreograph the videos on their own. Dance club unleashed the superpower of dancing and singing and enjoyed each step along the way.

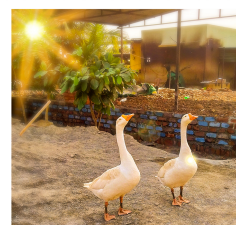

## Photography Club

Photography is a creative art that is more than a medium for factual communication of ideas. The rare shots are not for everyone, and so is the photography club for our dear students. The photography club was conducted online for the students of diploma and engineering from April to June 2021 and various photography related activities including Photo walk, Food Photography, Technical Photography, various tips for photography, etc. were conducted. The material was collected in an online mode for the club and great

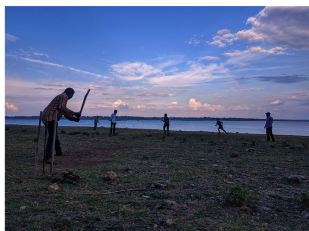

photograph collections of moments and emotions are captured. The participation from the students was very enthusiastic. We take immense pride in stating that two of our Alumnae Shreyash Gore and Sunny Deshmukh, working as professional photographers, guided our students on various technical aspects of photography. The students deliberately captured things happening in their minds inside a camera.

## Empowering students towards technology

PKTC has signed a MOU with Anudip foundation to acquire sector specific job oriented skills to the students by providing them trainings. The collaborated project will add new components to the customized curriculum based on market demand and the job requirement. PKTC has taken a great step towards placement of students with multinational companies

## Study tips

- ✓ Discover your learning style
- ✓ Focus on the concept, not the result
- ✓ Have your own handwritten notes
- ✓ Work or study in teams as much as you can

## Engineers and Jugaad

Datta Patil, Director of Engineering for Yahoo, USA and native from Latur worked on the water crises problem as the water was delivered by train in the village. He collected funds and trained his villagers and together built a low cost canal. An engineer can do jugaad and be a problem solver.

## Management Club

Talent wins games but teamwork and intelligence wins the championship. Conceptualizing this, leadership club guides the students about a leader's vision and responsibility and enhances the capacity of the students to translate vision into reality working as a team. Our students indulged in the importance of topics like public speaking, necessary managerial skills, leader's biographies, etc.

The enthusiasm of the students inspired everyone in the club leading to a collection of various materials and ethical values by the students. All the students utilized the online platform to full extent to manifest their skills and helped them to extract the greatness they already have inside them. Management club boosted the self-esteem of our students and believed that they can accomplish certain goals.

## Sports Club

Sports club helped our students to not only build character but also reveal it. The sports club took care of the student's mental health by engaging them visually in physical sports. The students enjoyed the matches' discussion and felt heart touched, narrated their own experiences as well. Excitingly they gathered collective information about various forms of sports, their institutions, famous biographies, historical matches and inculcated the mantra of getting stronger and fit.

The sports club taught the students to win honorably, lose gracefully, respect authority and manage their time and discipline. The students were excited throughout the span from April to June 2021. National heroes IAS, IPS OFFICERS trainer, member of LBSSNA, Mrs. Rupali Unde was the professional speaker and the valuable guidance regarding sports and fitness was enjoyed by the students.

## Poetry and Article Club

What keeps life fascinating is the constant creativity of the soul and we experienced this with our poetry and article club even in this COVID – 19 circumstances. Our students enthusiastically let creativity fill their souls and inspiration run through their veins and created beautiful art of poems and article writing. Various forms of novels, poems, articles, and tasks comprised the contents of this club and it involved students telling the truth and their emotions were depicted on family, college life, friends, etc. in the form of poem writing. Well Known Poet and Theatre artist Mr. Jagdish Pawar was the professional mentor for this club and the students enjoyed and got motivated from his poetry reading.

### College Life

College Life जीवन किती विचित्र आहे,  
 नाही का?  
 माहित नाही तीन वर्षे कशे गेले काही  
 कळलेच नाही  
 या प्रिय मित्र आणि मित्रांमध्ये  
 जसे साहिल आणि किनारी यांच्यात  
 खूप आठवणी आणि सुंदर स्वप्ने  
 जे एकेकाळी होते दुसऱ्याचे, ते आता सर्व  
 त्यांचे स्वतःचे झाले आहेत  
 ते फक्त attendance साठी class मध्ये  
 जान मागे बसून मजा करून  
 Clas मध्ये खूप मजा करण जेव्हा teacher  
 आपल्याकडे पाहणार तेव्हा attentive  
 सारख look देऊ  
 Breaktime मध्ये मस्ती आणि गप्पा मारत  
 बसणार class मध्ये teacher आल्यावर lunch  
 साठी thoda अजून time मागायचा  
 गेलेला प्रत्येक time मजेदार होता  
 Freshers हो या dj का day या class मध्ये  
 होणारी कोणती fight हो  
 मग ते मित्राची टिंगल असेल किंवा bus च्या  
 मागे बसून गाणे गान हो  
 या nodues ची line लावण असो. वा  
 attendance च्या साठी faculties चे  
 चक्कर लावण हो या मग external च्या  
 भितीनी जान असो  
 या last date ला assignment submit  
 करण असो  
 हे सर्व लक्षात राहिल कितीही वर्षे झाली तरी

### श्रमिक

घामाचे ओघळ अंगी  
 उटी मातीची होती,  
 तो श्रमिक झिजला तेव्हा  
 चंदने लाजली होती.  
 ते नांगर धरीले तेव्हा  
 घटेही पडले हाती,  
 ऊन देता वरुनी चटके  
 कातडी करपली होती.  
 फळ आले त्या कष्टांना  
 शेते ही पिकली होती,  
 ती पिके टच्यही भरता  
 मौक्तिके लाजली होती.  
 कष्टाच्या भाकरी वरती  
 झणझणीत चटणी होती,  
 त्या अविट गोडीपुढती  
 पक्वाने लाजली होती.  
 किती पिकली शेते तरीही  
 पोताला खळगी होती,  
 श्रमिकांच्या कष्टावरती  
 धनिकांची ढेकर होती

### आजी

डोळ्यांची पापणी लवते  
 जेव्हा जेव्हा,  
 आजी तुझी आठवण येते  
 तेव्हा तेव्हा.  
 आजी म्हणजे आयुष्यातील  
 सुंदर पान,  
 तिच्याकडे गोष्टी असतात  
 छान छान.  
 नातवंडांना आवडणारी  
 लाड पुरवणारी,  
 आणि आईवडिलांचा  
 मार चुकवणारी.  
 आजी असते  
 खूप सारे संस्कार लावणारी,  
 तिच्या प्रेमळ कुशीत घेऊन  
 झोपवणारी.  
 सगळीकडे कडेवर घेऊन  
 फिरणारी,  
 हळव्या मनाला  
 समजून घेणारी.  
 मनात कोणतीच मोहामाय  
 न ठेवणारी,  
 जुन्या परंपरा  
 आपल्यापर्यंत पोहचवणारी.

### हरवलेले दिवस

हरवलेले ते दिवस  
 येतील का पुन्हा,  
 जगलो आज आणि उद्या  
 हाच दिवस जुना.  
 नशिबाने एकदा पुन्हा  
 कुठेतरी भेटू,  
 याच आठवणींना एकत्र  
 मिळून वेचू.  
 परंतु तेव्हा सर्व काही  
 बदललेले असेल,  
 कोणीतरी बोलवतय म्हणून  
 भेट लवकर सुटेल.  
 लांबपर्यंत चालणाऱ्या गप्पागोष्टी  
 राहणार नाही,  
 आठवणींचा हा झरा मात्र  
 त्या दिशेने वाहणार नाही.  
 आज सोबत आहोत  
 वाटेल तस जगून घ्या,  
 जीवनभर पुरतील अशा  
 आठवणी जपून घ्या.

## Step towards excellence

Competition makes us faster and collaboration makes us better and we are encouraging students to start before they are ready to achieve success. The students of engineering are motivated to prepare right from 2nd year for GATE, GRE and aptitude tests. GATE and aptitude sessions are arranged by PKTC in collaboration with ACE Academy, Pune to get extra expert guidance for our students.

When students show love towards the institute it always makes us proud and thankful. Rushikesh Manmode and Shubham Argade created wonderful reels on PKTC. These video reels are available on PKTC's social media pages.

## Drawing, Painting and Sketching Club

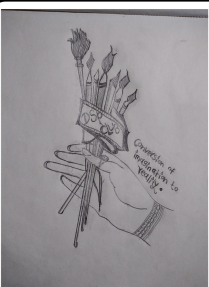

The Drawing, Painting and Sketching Club mainly aims at developing a broader perspective and the thought process of students to visualize art in technical aspects. This club received an overwhelming response from the students. The students were encouraged and engaged with various concepts like object drawing, colour management and technical softwares used for drawing. The students enjoyed the professional guidance by Gold medalist at a national level, Mr.Somnath Bothe and Mrs. Priyanka Bothe on topics like graphic design, corporate design, Visualization, etc.

Shiv Jayanti (19th February) – the much awaited celebration of PKTC. Like every year, Shiv Jayanti was celebrated with great enthusiasm following all the COVID-19 guidelines prescribed by the government. Our annual ritual of the 'Palkhi Miravnuk' celebration was replaced by honoring the grand statue of Chhatrapati Shivaji Maharaj in our campus. Shweta Sharma, 2nd-year Computer engineering student recited a poem in honour of Maharaj. A speech by a 7 year old student of PKIS, Aarav Varpe, dressed as Chhatrapati Shivaji Maharaj left everyone astonished.

**Glimpses Of Previous Year Celebration**

Shreyash Bankar, P K Junior College student sang songs in praise of Maharaj followed by a speech by our President Mr. Prataprao Khandebharad. Overall, the celebration was short and sweet with Management Representative Miss. Nikita Khandebharad, Campus Director Dr. Sanjay Singh, Principal, HOD's, staff and selected students as attendees.

## Atmanirbhar Bharat

Self-reliant India initiated by P M Modi and government of India in relation to economic development of country.

## Gratitude towards our Country

The flag hoisting for 72nd Republic Day was done by our Founder, President Hon'ble Prataprao Khandebharad and Vice President, Mr. Ankush Nanekar offered a prayer ritual in honour of the flag. Secretary of P K Foundation Mrs. Nanda Prataprao Khandebharad, Campus Director Dr. Sanjay Singh, and Principals of our sister institutes P K International School, P K Junior College, P K School for Special Children, all HOD's and selective members were present for the flag hoisting.

The heartbeats of PKTC, our students were missed dearly for this national festival. The excitement of students for parade, the joyous moments for cultural events and the recitation of songs and slogans of "Bharat Mata Ki Jay" used to be the cynosure every year and were not in sight this year. Even in this pandemic situation, we cheered and celebrated the festival keeping our spirits high.

## Safety First!

### ❖ P K Technical Campus ensures that girls and women safety is given utmost importance

Programs to ensure and raise awareness for girls and women safety are organized regularly in collaboration with 'Chakan Police Station'. An active dialogue is carried out between the girl students and police community members on various precautions, protective measures and safety tips to boost up the girls and motivate them for self defence.

### ❖ Safety Drill Trainings for Emergency Situations

To get a brief guidance, to handle the emergency situations safety drill trainings are organized in the campus along with demonstrations. Guidelines on handling an emergency or accidental situation, different first aid techniques and available emergency help lines are made aware to the students.

### ❖ Vahtuk Suraksha Abhiyaans

One of our prime responsibilities as responsible citizens of our country is to follow the traffic rules and regulations. To imbibe this in our students, we (PKTC) regularly arrange awareness seminars in collaboration with 'Chakan Police Vahtuk Vibhaag'

## Boosting confidence with exposure

We are keen for boosting up our student's confidence through real time experiences and therefore organize various technical events like Industrial Visits, Expert Lectures, Seminars, Workshops, Model Making and on the top of it 'AGNITECH' our annual tech feast.

## Crafting students into a moral citizens

We should always be kind and courteous towards our society to create a beautiful tomorrow is what we teach through our Social Events like, Tree Plantation Drives, Cleanliness Drives, Women Safety Programs, Water Day Celebration and Safety Drill events etc.

## A healthy mind resides in a healthy body

To keep our students healthy, active and agile, we have developed a huge sports ground in the campus that nurtures many sport activities and competitions.

## Cultural Activities

We believe that our culture is what makes us what we are. Cultural activities like Traditional Day, Signature Day, Twins Day, Singing, Dancing, theatre along with numerous competitions are held regularly. 'P K Utsav' - Our Annual Function is a cultural program organized every year.
